Dear Parents,

As part of our efforts to protect your child and comply with bill 3 2005 “the Act to Protect Anaphylactic Pupils” or “Sabrina Law”, we respectfully request parents of Anaphylactic Children to assist us with the following procedures:

- Complete the attached form, signed by your child’s physician, and return it to Glenn Arbour Academy
- Supply the school with three (3) EpiPens or 2 ‘Twin Jet’. One for your child to have on them, one for their camp instructor and one for the Front Office
- Inform Glenn Arbour Academy immediately of any changes to your child’s health history

If your child has been prescribed an EpiPen, our protocol is:

- To share your child’s information with all staff members, including posting your child’s personal Anaphylaxis emergency Plan in the Front Office and your child’s home room
- We will administer the EpiPen immediately upon the first sign of reaction occurring in conjunction with their known allergen or suspected contact with the allergen.
- Call 911 and administer a second dose 10-15 minutes or sooner if the reaction continues or worsens
- Call the contact person
- A staff member will accompany your child in the ambulance and wait at the hospital until the contact person arrives

All staff members have been trained on how to administer an EpiPen.
