Do you enjoy basketball? Do you love playing on a team? Do you feel motivated when you learn new skills and can use them in a game? If you said yes to these three questions, then this is the camp you need to attend this March Break!

The Glenn Arbour Academy March Break Basketball Camp will provide the opportunity for boys and girls to:

Develop and improve basketball skills regardless of your level.

Gain a greater knowledge of the game.

Receive personalized instruction in small groups.

Have fun.

Our main objective will be to help students better understand the game and improve their ability to play. This will be done through a variety of activities in the gym and through discussions in the classroom.

*Please note that Mr. Baker will be running the camp (A Little Bit of Everything) on Friday so the camp will be a combination of both sports and crafts. If you would like to attend for 5 days, the cost would be \$250.
