

Dear parents and staff,

We're excited to partner with you and your school community! Let us briefly introduce ourselves!

MK Mind Building Robotics, as part of MK Global Training Inc, runs both Summer Camp programs and After School programs throughout the year. This is our third year running and we're growing fast throughout the GTA and beginning to expand into cities like Hamilton and London.

Our focus is to help students develop a love of learning in Science, Technology, Engineering, and Mathematics (S.T.E.M.) subjects through interactive edutainment! As such our lead instructors are Ontario Certified Teachers or in a field related to education, science, technology, engineering or mathematics.

Each session, students will learn robotics concepts in a short 5min lesson and then apply the new knowledge in building their robot. Under the guidance of our instructors kids will have fun learning about physics concepts, such as infrared sensors and weight distribution, through the means of building their own robot!

Our robotics programs are low risk as students will be indoors at all times and will have their own work area in which to build their robot. Please note, for the safety of our students and under agreement with the facilitator school/centre, we do not provide any snacks in any of our after school programs.

Our After School Program will begin on **January 28, 2013** and run until **March 4th, 2013**. It will be once a week every Thursday beginning from 3:45-5:00pm.

If interested, please fill out the forms attached and return them to the school latest by **January 22, 2013**. If you have further questions, please don't hesitate to contact me either via e-mail at matthew@mkmindbuilding.com or at 289-244-0922.

We look forward to seeing you and your child after school!

Best regards,

Matthew

Registration Form

Price:

\$100 for 6 sessions

(a minimum of 10 students is required to run this program)

Name of Student: _____

Grade: _____

Please note that students may go into after school program at the end of the camp day at no charge.

Payment Options

Visa [] M/C [] Cheque [] Cash [] Cashless Schools []

Photography Release

Child(ren)'s name: _____

I, _____ (parent's name) hereby give permission for photographs taken of my child/ren to be used in future program brochures, promotional material or any other social media (facebook, twitter, etc.) for the MK Mindbuilding program.
