

Where we can make a difference

Welcome to Glenn Arbour Academy!

At Glenn Arbour Academy we believe that knowledge and understanding of the world around us enriches our lives. We look forward to sharing this knowledge and understanding with your son/daughter.

Enclosed you will find a package outlining our admission process and general information. Please visit our website at www.glennarbouracademy.com for more information about our educational program.

Our uniform supplier is R.J. McCarthy, 531 North Service Road, Oakville. Telephone – 416-593-6900.

A tour of our facility can be arranged to accommodate your schedule. Please contact the office at your convenience.

Thank you for your interest in our school.

Where we can make a difference

Glenn Arbour Academy is a private school for students from JK to grade 8. We have attained a well deserved reputation for academic excellence. Our challenging curriculum is designed to specifically meet the individual needs of each learner.

Our certified enthusiastic teachers at the Academy strive to create highly interactive interesting lessons in which students feel successful.

The Academy's excellent curriculum, with French beginning in Junior Kindergarten, small class sizes, close communication with parents and the individual attention the Academy ensures, are the deciding factors parents indicate why Glenn Arbour Academy is the educational choice for their child.

We are pleased to offer The Canadian Test of Basic Skills which is designed to provide a measure of many of the important skills students learn at school. The tests administered yearly to Grade 3 - 8 students, add a valuable perspective of educational achievements by providing objective evidence of achievement.

Glenn Arbour Academy strives to help students become confident, highly motivated students. They have opportunities to develop their leadership qualities, participate in the yearly oratorical contest to develop their public speaking skills, enter creative writing contests, i.e., Polar Expressions, of which we have had finalists, and develop the ability to work well with others.

The arts are celebrated through classes and extra-curricular activities such as vocal training, instrumental classes, dramatic arts, visual art, ensemble, choir, dance and two school wide performances a year. Each division enriches the essentials of math, language arts, social studies, geography, history, science, and technology. The learning opportunities that are offered through their carefully chosen field trips are endless. Whether students spend a day as royalty in a castle or re-enact a conquest on the Plains of Abraham, they engage in experiences that are enlightening and memorable. The athletic program goes beyond the gymnasium. Through seasonal sports field trips, intramurals, and their own outdoor skating rink, students are active and develop sportsmanship and confidence.

At Glenn Arbour every student shines. Through the house system, students across all grade levels work and play together at school wide events. The Green Team strives to lessen the school's carbon footprint. The Chess club offers an intellectual challenge for students of all ages. The before and after school program provides a comfortable and relaxing time for students to unwind, spend time with friends, and do homework.

Glenn Arbour fosters lifelong learning, confidence, academic excellence, creativity, and problem solving. When choosing the educational path of your child, you must ask yourself what is best for them today, tomorrow, next year, and beyond. Visit Glenn Arbour Academy and discover the ultimate in education!

Where we can make a difference

Before and After School Program

Glenn Arbour Academy opens its doors at 7:00 a.m. until 6:00 p.m.

The Before and After program provides a comfortable and relaxing time for students to unwind, spend time with friends, complete homework.

They also have the opportunity to be involved in supervised outdoor play as well as a variety of indoor activities.

The Before School Care program begins at 7:00 a.m. and runs until 8:20 a.m. The cost of the program is \$12.00 per day per student or \$18.00 per day for a family. Parents will be billed monthly on their usage of the program

The After School Care program begins at 3:45 p.m. - 6:00 p.m. Students will be encouraged to complete any homework. They will be provided a nut free snack as well as have an opportunity to finish snacks from their lunch bag. Students will then have an opportunity to play outside and return inside to continue play or complete homework. The cost of the program is \$12.00 per day per student or \$18.00 per day for a family. Parents will be billed monthly on their usage of the program.

It is a requirement that each student be signed out by his/her parent or guardian. Identification will be required if it is the first time for picking up.

Where we can make a difference

Allergy Alert

Dear Parents,

Due to the increasing number of severe life threatening allergies known medically as anaphylaxis, Glenn Arbour is a nut and shellfish free school.

We are asking for your help to keep our students safe by not sending nuts or shellfish to the School in lunches, snacks or special treats. Please read the labels of food carefully as peanut oil is often used in cookies, cakes, and granola bars.

We have had great success with this program and we appreciate your co-operation in this manner.

Sincerely,

*Lisa MacKinnon
Director*
