

Where we can make a difference

Milk Program

Glenn Arbour Academy is pleased to offer students a lunch-time milk program. Refrigerated 250ml cartons of white and chocolate milk will be sold to students at a cost of 90 cents a carton.

The milk must be pre-purchased by parents from September to December and from January to June. Teachers/Grade 8 students will be responsible to distribute the drinks to the students in their class during lunch time.

Parents can specify type of milk and frequency of order. For example: "Chocolate milk Mondays and Fridays only".

This program offers a nutritional beverage for our children. It is a convenience to parents and is an important fundraiser for our school.

Please note that if your child misses a day to receive a drink it will be kept in the fridge for the next day. This program does not offer credits or carry overs. All proceeds will go to GAAPTA, our parents – teacher association.

If you would like to participate in this program please complete the attached forms and return it with your cheque to your child's teacher.

Cheques should be made payable to GAAPTA.

Please note that GAAPTA does not accept visa, master card or cashless schools.

Please scroll down for the order form.
